What is the "WebClass" Learning Management System?

October 18, 2023

Kanagawa-University is introducing a new Learning Management System called "WebClass". Using WebClass, for each course for which you are responsible, you can send notices to students, distribute electronic data, and get students to respond/submit test, surveys, essays etc.

【How to login to WebClass】

URL for WebClass ▸ https://kulms.kanagawa-u.ac.jp/

1. Open the login page from the URL above, then switch to English from Japanese with the button [english].
2. Click [display Login screen].
3. Enter [User ID] and [Password] and click [Login].

※ User ID and Password are the same as your MNS account. They are indicated on the MNS account notification in the documents which was given to you from Kanagawa-University.

【After login】

1. After login, the timetable of the courses for which you are responsible is displayed.
   You can choose any lecture from the timetable.
2. For creating and distributing materials, please click [Create material].
3. For more details at a later time, please click "Manuals" at the top of the screen.

【WebClass Operating Manual for Instructors Created by Kanagawa-University】

Video manual is also provided. (only Japanese version.)
